BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the Company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section **G**. – **Definitions**.

A. Coverage

1. Business Income

Business Income means the:

- a. Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred; and
- **b.** Continuing normal operating expenses incurred, including payroll.

For manufacturing risks, Net Income includes the net sales value of production.

Coverage is provided as described and limited below for one or more of the following options for which a Limit of Insurance is shown in the Declarations:

- a. Business Income including "Rental Value".
- b. Business Income other than "Rental Value".
- c. "Rental Value".

If option **a.** above is selected, the term Business Income will include "Rental Value". If option **c.** above is selected, the term Business Income will mean "Rental Value" only.

If Limits of Insurance are shown under more than one of the above options, the provisions of this Coverage Part apply separately to each.

We will pay for the actual loss of Business Income you sustain due to the necessary "suspension" of your "operations" during the "period of restoration". The "suspension" must be caused by direct physical loss of or damage to property at premises which are described in the Declarations and for which a Business Income Limit of Insurance is shown in the Declarations. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 1,000 feet of the site at which the described premises are located. With respect to the requirements set forth in the preceding paragraph, if you occupy only part of the site at which the described premises are located, your premises means:

- **a.** The portion of the building which you rent, lease or occupy; and
- **b.** Any area within the building or on the site at which the described premises are located, if that area services, or is used to gain access to, the described premises.

2. Extra Expense

- **a.** Extra Expense coverage is provided at the premises described in the Declarations only if the Declarations show that Business Income coverage applies at that premises.
- **b.** Extra Expense means necessary expenses you incur during the "period of restoration" that you would not have incurred if there had been no direct physical loss or damage to property caused by or resulting from a Covered Cause of Loss.

We will pay Extra Expense (other than the expense to repair or replace property) to:

- (1) Avoid or minimize the "suspension" of business and to continue operations at the described premises or at replacement premises or temporary locations, including relocation expenses and costs to equip and operate the replacement location or temporary location.
- (2) Minimize the "suspension" of business if you cannot continue "operations".

We will also pay Extra Expense to repair or replace property, but only to the extent it reduces the amount of loss that otherwise would have been payable under this Coverage Form.

3. Covered Causes Of Loss, Exclusions And Limitations

See Causes of Loss – Special Form.

4. Additional Limitation – Interruption Of Computer Operations

- a. Coverage for Business Income does not apply when a "suspension" of "operations" is caused by destruction or corruption of "electronic data", or any loss or damage to "electronic data", except as provided under the Additional Coverage – Interruption Of Computer Operations.
- b. Coverage for Extra Expense does not apply when action is taken to avoid or minimize a "suspension" of "operations" caused by destruction or corruption of "electronic data", or any loss or damage to "electronic data", except as provided under the Additional Coverage – Interruption Of Computer Operations.

5. Additional Coverages

a. Civil Authority

In this Additional Coverage, Civil Authority, the described premises are premises to which this Coverage Form applies, as shown in the Declarations.

When a Covered Cause of Loss causes damage to property other than property at the described premises, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises, provided that both of the following apply:

- (1) Access to the area immediately surrounding the damaged property is prohibited by civil authority as a result of the damage, and the described premises are within that area but are not more than one mile from the damaged property; and
- (2) The action of civil authority is taken in response to dangerous physical conditions resulting from the damage or continuation of the Covered Cause of Loss that caused the damage, or the action is taken to enable a civil authority to have unimpeded access to the damaged property.

Civil Authority Coverage for Business Income will begin 72 hours after the time of the first action of civil authority that prohibits access to the described premises and will apply for a period of up to four consecutive weeks from the date on which such coverage began. Civil Authority Coverage for Extra Expense will begin immediately after the time of the first action of civil authority that prohibits access to the described premises and will end:

- (1) Four consecutive weeks after the date of that action; or
- (2) When your Civil Authority Coverage for Business Income ends;

whichever is later.

b. Alterations And New Buildings

We will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur due to direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss to:

- (1) New buildings or structures, whether complete or under construction;
- (2) Alterations or additions to existing buildings or structures; and
- (3) Machinery, equipment, supplies or building materials located on or within 1,000 feet of the described premises and:
 - (a) Used in the construction, alterations or additions; or
 - (b) Incidental to the occupancy of new buildings.

If such direct physical loss or damage delays the start of "operations", the "period of restoration" for Business Income Coverage will begin on the date "operations" would have begun if the direct physical loss or damage had not occurred.

c. Extended Business Income

(1) Business Income Other Than "Rental Value"

If the necessary "suspension" of your "operations" produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:

- (a) Begins on the date property (except "finished stock") is actually repaired, rebuilt or replaced and "operations" are resumed; and
- (b) Ends on the earlier of:

(i) The date you could restore your "operations", with reasonable speed, to the level which would generate the business income amount that would have existed if no direct physical loss or damage had occurred; or (ii) 60 consecutive days after the date determined in (1)(a) above.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

(2) "Rental Value"

If the necessary "suspension" of your "operations" produces a "Rental Value" loss payable under this policy, we will pay for the actual loss of "Rental Value" you incur during the period that:

- (a) Begins on the date property is actually repaired, rebuilt or replaced and tenantability is restored; and
- (b) Ends on the earlier of:
 - (i) The date you could restore tenant occupancy, with reasonable speed, to the level which would generate the "Rental Value" that would have existed if no direct physical loss or damage had occurred; or
 - (ii) 60 consecutive days after the date determined in (2)(a) above.

However, Extended Business Income does not apply to loss of "Rental Value" incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of "Rental Value" must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

d. Interruption Of Computer Operations

(1) Subject to all provisions of this Additional Coverage, you may extend the insurance that applies to Business Income and Extra Expense to apply to a "suspension" of "operations" caused by an interruption in computer operations due to destruction or corruption of "electronic data" due to a Covered Cause of Loss.

- (2) With respect to the coverage provided under this Additional Coverage, the Covered Causes of Loss are subject to the following:
 - (a) Coverage under this Additional Coverage – Interruption Of Computer Operations is limited to the "specified causes of loss" and virus or hacking as set forth in the CAUSES OF LOSS – SPECIAL FORM.
 - (b) If the CAUSES OF LOSS SPECIAL FORM is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage – Interruption Of Computer Operations.
- (3) The most we will pay under this Additional Coverage - Interruption of Computer Operations is the limits shown on the Supplemental Declarations for all loss sustained and expense incurred in any one policy year, regardless of the number of interruptions or the number of premises, locations or computer systems involved. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any interruption which begins in one policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.
- (4) This Additional Coverage Interruption in Computer Operations does not apply to loss sustained or expense incurred after the end of the "period of restoration", even if the amount of insurance stated in the Supplemental Declarations as referenced above has not been exhausted.

6. Coverage Extensions

These Extensions are additional insurance. The Additional Condition, Coinsurance, does not apply to these Extensions.

Insurance provided by this Coverage Part is extended as follows:

WF-PR 00006 00 (07/17)

- (1) You may extend your Business Income and Extra Expense Coverages to apply to property at any location you acquire other than fairs or exhibitions.
- (2) The most we will pay under this Extension, for the sum of Business Income loss and Extra Expense incurred, is the limit shown in the Supplemental Declarations at each location.
- (3) Insurance under this Extension for each newly acquired location will end when any of the following first occurs:
 - (a) This policy expires;
 - (b) 180 days expire after you acquire or begin to construct the property; or

We will charge you additional premium for values reported from the date you acquire the property.

We shall pay for the actual loss of your business income caused by or resulting from:

- (1) the necessary suspension of your operations during the period of restoration; and
- (2) direct physical loss or damage by a Covered Cause of Loss to your dependent property.

Dependent Property means property operated by others which you depend on to:

- Deliver materials or services to you, or to others for your account (Contributing Locations). These services shall not include water, communication, or power supply services;
- (2) Accept your products or services (Recipient Locations);
- (3) Manufacture products for delivery to your customers under contract of sale (Manufacturing Locations); or
- (4) Attract customers to your business (Leader Locations).

The most we will pay for loss or damage under this Coverage Extension is the limit shown in the Supplemental Declarations.

c. Off Premises Utility Failure

We shall pay for the actual loss of your business income and extra expense caused by or resulting from:

- (1) the necessary suspension of your operations during the period of restoration:
- (2) direct physical loss or damage by a Covered Cause of Loss to property not on your premises but used to supply you with services by the following utilities:
 - (a) Water Supply Services, meaning the following types of property supplying water to the premises described in the Declarations:

 - (ii) Switching stations;
 - (iii) Substations;

 - (v) Transmission lines.

This shall not include above-ground transmission or distribution lines.

The most we shall pay is the limit shown on the Supplemental Declarations for loss you incur after the first twenty-four (24) hours following direct physical loss or damage by a Covered Cause of Loss that disrupted the services provided by the utility companies described above.

d. Lease Cancellation Moving Expense

Extra Expense coverage is extended to include any moving expenses incurred by you, that result from the cancellation of a lease at your premises described in the Declarations, provided that such lease cancellation occurs as a result of direct physical loss or damage to such premises by a Covered Cause of Loss.

The most we will pay for loss or damage under this Coverage Extension is the limit shown in the Supplemental Declarations.

B. Limits Of Insurance

The most we will pay for loss in any one occurrence is the applicable Limit of Insurance shown in the Declarations.

Payments under the following coverages will not increase the applicable Limit of Insurance:

- 1. Alterations and New Buildings;
- **2.** Civil Authority;
- 3. Extra Expense; or
- 4. Extended Business Income.

C. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

1. Appraisal

If we and you disagree on the amount of Net Income and operating expense or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser.

The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of Net Income and operating expense or amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- **b.** Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event Of Loss

- **a.** You must see that the following are done in the event of loss:
 - (1) Notify the police if a law may have been broken.
 - (2) Give us prompt notice of the direct physical loss or damage. Include a description of the property involved.
 - (3) As soon as possible, give us a description of how, when, and where the direct physical loss or damage occurred.
 - (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
 - (5) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

- (6) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
- (7) Cooperate with us in the investigation or settlement of the claim.
- (8) If you intend to continue your business, you must resume all or part of your "operations" as quickly as possible.
- **b.** We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

3. Loss Determination

a. The amount of Business Income loss will be determined based on:

- The Net Income of the business before the direct physical loss or damage occurred;
- (2) The likely Net Income of the business if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses;
- (3) The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the direct physical loss or damage; and
- (4) Other relevant sources of information, including:
 - (a) Your financial records and accounting procedures;
 - (b) Bills, invoices and other vouchers; and
 - (c) Deeds, liens or contracts.
- **b.** The amount of Extra Expense will be determined based on:
 - (1) All expenses that exceed the normal operating expenses that would have been incurred by "operations" during the "period of restoration" if no direct physical loss or damage had occurred. We will deduct from the total of such expenses:
 - (a) The salvage value that remains of any property bought for temporary use during the "period of restoration", once "operations" are resumed; and
 - (b) Any Extra Expense that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions and provisions as this insurance; and
 - (2) Necessary expenses that reduce the Business Income loss that otherwise would have been incurred.

c. Resumption Of Operations

We will reduce the amount of your:

(1) Business Income loss, other than Extra Expense, to the extent you can resume your "operations", in whole or in part, by using damaged or undamaged property (including merchandise or stock) at the described premises or elsewhere.

- (2) Extra Expense loss to the extent you can return "operations" to normal and discontinue such Extra Expense.
- (3) If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

4. Loss Payment

We will pay for covered loss within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part and:

- **a.** We have reached agreement with you on the amount of loss; or
- **b.** An appraisal award has been made.

D. Additional Condition

Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies in addition to the Common Policy Conditions and the Commercial Property Conditions.

We will not pay the full amount of any Business Income loss if the Limit of Insurance for Business Income is less than:

- **a.** The Coinsurance percentage shown for Business Income in the Declarations; times
- **b.** The sum of:
 - (1) The Net Income (Net Profit or Loss before income taxes), and
 - (2) Operating expenses, including payroll expenses,

that would have been earned or incurred (had no loss occurred) by your "operations" at the described premises for the 12 months following the inception, or last previous anniversary date, of this policy (whichever is later).

Instead, we will determine the most we will pay using the following steps:

- Multiply the Net Income and operating expense for the 12 months following the inception, or last previous anniversary date, of this policy by the Coinsurance percentage;
- Divide the Limit of Insurance for the described premises by the figure determined in Step 1.; and
- **3.** Multiply the total amount of loss by the figure determined in Step **2**.

We will pay the amount determined in Step **3.** or the limit of insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

In determining operating expenses for the purpose of applying the Coinsurance condition, the following expenses, if applicable, shall be deducted from the total of all operating expenses:

- **1.** Prepaid freight outgoing;
- 2. Returns and allowances;
- 3. Discounts;
- 4. Bad debts;
- 5. Collection expenses;
- **6.** Cost of raw stock and factory supplies consumed (including transportation charges);
- **7.** Cost of merchandise sold (including transportation charges);
- **8.** Cost of other supplies consumed (including transportation charges);
- **9.** Cost of services purchased from outsiders (not employees) to resell, that do not continue under contract;
- Power, heat and refrigeration expenses that do not continue under contract (if Form CP 15 11 is attached);
- All ordinary payroll expenses or the amount of payroll expense excluded (if Form CP 15 10 is attached); and
- **12.** Special deductions for mining properties (royalties unless specifically included in coverage; actual depletion commonly known as unit or cost depletion – not percentage depletion; welfare and retirement fund charges based on tonnage; hired trucks).

Example No. 1 (Underinsurance):

When:	The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described premises would have been	\$	400,000
	The Coinsurance per- centage is		50%
	The Limit of Insurance is	\$	150,000
	The amount of loss is	\$	80,000
Step 1:	\$400,000 x 50% = \$200,000		
	(the minimum amount of insurance to meet your Coinsurance requirements)		

Step **2**: \$150,000 ÷ \$200,000 = .75

Step 3: \$80,000 x .75 = \$60,000

We will pay no more than \$60,000. The remaining \$20,000 is not covered.

Example No. 2 (Adequate Insurance):

When:	The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described premises	
	would have been The Coinsurance per-	\$ 400,000
	centage is	50%
	The Limit of Insurance is	\$ 200,000
	The amount of loss is	\$ 80,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 (\$400,000 x 50%). Therefore, the Limit of Insurance in this Example is adequate and no penalty applies. We will pay no more than \$80,000 (amount of loss).

This condition does not apply to Extra Expense coverage.

E. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item.

1. Maximum Period Of Indemnity

- **a.** The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.
- **b.** The most we will pay for the total of Business Income loss and Extra Expense is the lesser of:
 - (1) The amount of loss sustained and expenses incurred during the 120 days immediately following the beginning of the "period of restoration"; or
 - (2) The Limit of Insurance shown in the Declarations.

2. Monthly Limit Of Indemnity

- **a.** The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.
- **b.** The most we will pay for loss of Business Income in each period of 30 consecutive days after the beginning of the "period of restoration" is:

- (1) The Limit of Insurance, multiplied by
- (2) The fraction shown in the Declarations for this Optional Coverage.

Example:

When:	The Limit of Insurance is	\$ 120,000
	The fraction shown in the Declarations for this Optional Coverage is	1/4
	The most we will pay for loss in each period of 30 consecutive days is:	
	\$120,000 x 1/4 = \$30,000	
	If, in this example, the actual amount of loss is:	
	Days 1-30	\$ 40,000
	Days 31-60	20,000
	Days 61-90	30,000
		\$ 90,000
	We will pay:	
	Days 1-30	\$ 30,000
	Days 31-60	20,000
	Days 61-90	30,000
		\$ 80,000

The remaining \$10,000 is not covered.

3. Business Income Agreed Value

- a. To activate this Optional Coverage:
 - (1) At our request, a Business Income Report/Work Sheet must be submitted to us and must show financial data for your "operations":
 - (a) During the 12 months prior to the date of the Work Sheet; and
 - (b) Estimated for the 12 months immediately following the inception of this Optional Coverage.
 - (2) The Declarations must indicate that the Business Income Agreed Value Optional Coverage applies, and an Agreed Value must be shown in the Declarations. The Agreed Value should be at least equal to:
 - (a) The Coinsurance percentage shown in the Declarations; multiplied by
 - (b) The amount of Net Income and operating expenses for the following 12 months you report on the Work Sheet.
- **b.** The Additional Condition, Coinsurance, is suspended until:

(1) 12 months after the effective date of this Optional Coverage; or

(2) The expiration date of this policy;

whichever occurs first.

- **c.** We will reinstate the Additional Condition, Coinsurance, automatically if you do not submit, at our request, a new Work Sheet and Agreed Value:
 - (1) Within 12 months of the effective date of this Optional Coverage; or
 - (2) When you request a change in your Business Income Limit of Insurance.
- **d.** If the Business Income Limit of Insurance is less than the Agreed Value, we will not pay more of any loss than the amount of loss multiplied by:
 - (1) The Business Income Limit of Insurance; divided by
 - (2) The Agreed Value.

Example:

When:	The Limit of Insurance		
	is	\$	100,000
	The Agreed Value is	\$	200,000
	The amount of loss is	\$	80,000
Step (a):	\$100,000 ÷ \$200,000 = .50		
Step (b):	.50 x \$80,000 = \$40,000		

We will pay \$40,000. The remaining \$40,000 is not covered.
